	State of South Carolina)	

This matter comes before the Public Service Commission of South Carolina (Commission) on the request of Business Network Long Distance, Inc. (Business Network or the Company), filed by Regulatory and Tax Consultants, LLC, to cancel the Company's Certificate of Public Convenience and Necessity to provide telecommunications services in South Carolina. A review of the Commission's records reveals that the Commission granted Business Network authority to provide resold interexchange telecommunications services in the State of South Carolina by Order No. 2004-423, dated October 8, 2004.

By letter filed July 24, 2008, Business Network seeks cancellation of the Company's Certificate. According to Business Network, the Company discontinued doing business in the State of South Carolina effective December 31, 2007.

As Business Network is no longer providing the services for which the Company's Certificate of Public Convenience and Necessity was granted, the Commission finds and concludes that Business Network's Certificate of Public Convenience and Necessity to provide telecommunications services should be cancelled.

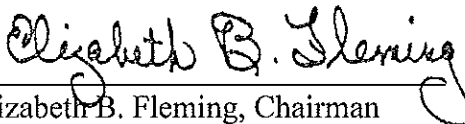

IT IS THEREFORE ORDERED THAT:

1. The Certificate of Public Convenience and Necessity to provide telecommunications services within the state of South Carolina authorized by Order No. 2004-423, dated October 8, 2004, issued to Business Network Long Distance, Inc. is hereby cancelled.

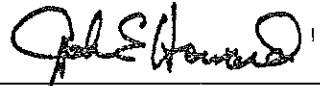

2. Business Network Long Distance, Inc., if applicable, remains responsible for any assessments due during any year that the Company has operated in South Carolina.

3. This Order shall remain in full force and effect until further Order of the Commission.
